

Culture Learning Design Tour 2019

Sunday 29 Sept - Friday 11 Oct

Finland - Denmark - Sweden - UK

In search of 'small data'

Culture: How does the cultural climate of a country influence schools and learning? What can we learn from this perspective

Learning: How is the school's learning philosophy evident in the everyday life of the school?

Design: How does the design of the school reflect the aspirations for the learners? What do you notice about effective design?
